1 Open your workspace

Open Team in the sidebar. Everyone in a workspace shares its QR codes, categories, and analytics. The Team plan includes 3 seats, and extra seats are $6 a month each.

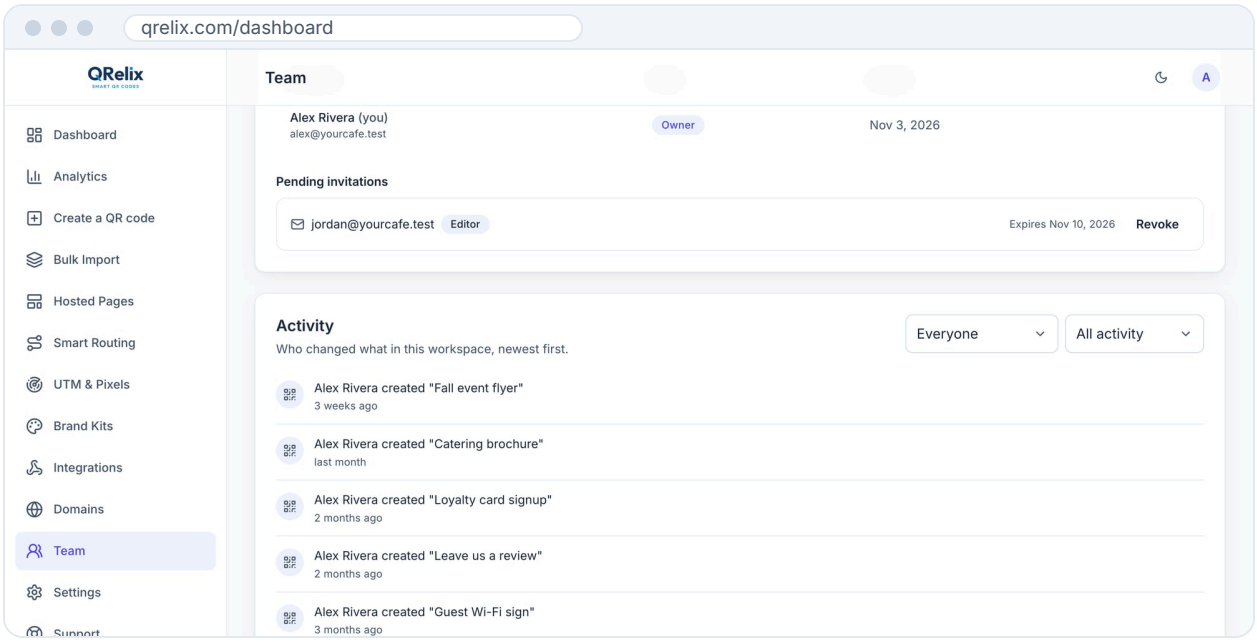

2 Choose a role

Select Invite, enter their email, and choose a role. Admins manage members, API keys, and domains. Editors create and edit QR codes. Viewers see codes and analytics without changing anything.

3 See who changed what

Activity lists changes in the workspace, newest first. Filter by member or by type of change. Invitations stay pending until accepted, and each holds a seat for 7 days.
